Bootcamp rule

We are excited to welcome your child to our summer kids coding bootcamp. To ensure a safe and productive learning environment for all participants, we have established the following rules and guidelines which we ask you and your child to review and follow:

1. Respect others: All participants are expected to treat their fellow students, instructors, and staff with respect and courtesy at all times. Any form of bullying, harassment or discrimination will not be tolerated.

2. Attend regularly: Regular attendance is essential for your child to gain the full benefit of the coding bootcamp. If your child is unable to attend a session, please notify the organizers in advance.

3. Be punctual: Classes will start and end at the scheduled time. Please ensure that your child arrives on time and is picked up promptly after each session.

4. Follow instructions: All participants are expected to follow the instructions of the instructors and comply with the coding bootcamp rules and guidelines.

5. Use equipment and materials responsibly: All equipment and materials provided by the coding bootcamp must be used responsibly and only for their intended purpose. Any damage caused by misuse will be the responsibility of the participant.

6. Be prepared: Your child should bring a fully charged laptop and any other required materials to each session. In addition, please ensure that your child is well-rested and properly nourished before attending each session.

7. Be engaged: Your child will get the most out of the coding bootcamp if they actively participate in class discussions, ask questions, and collaborate with their fellow students.

INDEMITY

In consideration of my child's participation in the coding class and their successful completion of the program, I hereby agree to the following:

1. I understand that the skills and knowledge acquired by my child during the coding class are intended for their personal use and development only. I will not use or share this information for any unlawful or unauthorized purposes.

2. I agree to indemnify and hold harmless the coding class organizers, instructors, and affiliates from any and all claims, damages, or expenses arising from my child's participation in the coding class, including but not limited to property damage, personal injury, or loss of data.

3. I acknowledge that the coding class organizers, instructors, and affiliates are not responsible for any damages or losses incurred by my child or our family as a result of their participation in the coding class.

4. I acknowledge that I have read and understood the terms and conditions of this indemnity form, and I agree to abide by them.
